Sadheek was out of the country and we decided to send Mr. Lionel and he went to Dambulla with a helper and purchased the Vegetables loaded a lorry full of vegetable. Thereafter, they arranged a lorry that was leaving directly to Vavuniya on Sunday night (31st May 2009). This was a lorry hired from Dambulla, load and unload in Medawachchi and continue to Vavnia.

The goods were unloaded at Shanmugam Stores and reloaded to another lorry along with the milk packets. The Vegetable lorry reached Vavuniya on Monday 1st July at 8.30 am.

Both the consignments were handed over to GA office on 1st July around 1.30 pm. to 2 different unit accountants. 2 Letters were given separately for the consignments by the accountants. Since there is no storage facilities GA OFFICE has requested the items to be delivered to the refugee camp which is off 30 KM from Vvuniya. There was additional charge involved for this work and they requested for Rs. 7,500/-. We are still negotiating the charges and not added to the accounts yet.
