Acknowledgement

This is to acknowledge that we have received Rs. 378,540.00 to our account on 9th of June 2016 and Rs. 342,900.00 on 14th of September 2016 as a contribution from you towards the orphan children sponsored by you.

We very much appreciate and thank you sincerely for your continuous support and concern. It is evident that without your support we cannot continue to help the children.

Further I like to share happy news that Mr. Kanasalingam Kirusanth who joined us in 2010, entered University of Jaffna Arts Stream after completing his GCE AL in 2014 August. I have attached his detail and if you want to help him, you could do.

Thank you.

May God bless you and your kindness.

Kind regards.

Fr. Singarayar
